CADDIE BOOK

Lagoda Disc Golf and Vall Tours are happy to welcome you to Varaždin and Croatia!

Since our first tournament in 2012 we have run 95 PDGA events and among those were the European Disc Golf Championships 2018 with 200 participants of 27 nations and WFDF World Team Disc Golf Championship 2022 with 250 participants of 25 nations, but the coming Pro Forester 2023 seems to be a next level in event production and players field quality and we look forward to do our best to make your stay in our city as nice as possible and to produce a top level event.

We hope that you will enjoy playing the course we have designed and set up just for this occasion, but that you will as well spend good times in Varaždin that will be particularly lively for this dates as, along to disc golfers, the city will host:

- a beer festival Biergarten (June 2 to 11)
- a festival of dance and movement Kliker festival (June 5 to 18),
- European Robocup Junior 2023 robotic sports competitions focused on young students under the age of 19 (June 7 to 10 at the Arena, just next to the course)
- a Tie Fly! the caravan of super luxury sports cars (they stop in Varaždin for a show on June 8th from 17:00 to 17:30 at the town center)

Welcome!

Maja, Tina, Dinko
and the rest of Lagoda crew
