# HOSTS

Lagoda Disc Golf and Atlas Rabac Tourist Agency extend you a warm welcome to Labin and Croatia for the first edition of the MASTERPIECE tournament!

Since our inaugural tournament in 2012, we've organized 107 PDGA events, including notable occasions such as the European Disc Golf Championships 2018, hosting 200 participants from 27 nations, and the WFDF World Team Disc Golf Championship 2022, boasting 250 participants from 25 nations.

The upcoming MASTERPIECE 2024 marks a significant milestone in our event portfolio, being the first larger international disc golf event to take place in the Adriatic region.

We're thrilled to present the specially crafted course at the Dubrova Sculpture Park, tailored exclusively for this event. Beyond the competition, we invite you to relish the charms of Labin and Rabac, ensuring unforgettable experiences during your stay, that should ensure your return for future editions of this event.

Our heartfelt gratitude extends to the **Labin Rabac Tourist Board** for their invaluable support, which has been instrumental in realizing this event. We also extend our appreciation to our sponsors, whose recognition of disc golf as a significant sporting endeavor has been pivotal.

Welcome!
