

Triple Bogey Tour 2022 #1  
 March 12-13 • Varaždin, Croatia

# SPRING Forester

**Course:**

All concrete (gray) and asphalt (white) areas are OB.  
 On holes 7 and 8 the creek (left of those fairways) and everything over the creek is OB. River Drava (on the right) is also OB.

Hole 13 - It should not come into play as it is elevated and protected by trees, but railroad (black line) and everything across it is OB.

Hole 14 - Fairway by the basket plays like an "island" and your disc needs to come to rest on the island to be safe.  
 A shot landing in the OB takes you to the drop zone. If you throw to the OB again you move to the drop zone 2 on the "island".  
 Once you are safe on the "island", regular OB rules apply.

Hole 15 - A shot to the OB takes you to the drop zone. If your disc was safe at tee shot then you play from the place where it went OB.

Hole 17 - You have to pass the mandatory tree on the left hand side. Drop zone is close to the mandatory tree. Fenced area behind the basket is OB.
