### Course Map Info:

On holes 2, 3, 7, 9 and 18 there is a mandatory tree while on hole 6 there are two mandatory trees. If you miss any of those, you play from the drop zone. There is single drop zone for both mando trees on hole 6. Mandatory on hole 9 is NOT in effect for hole 8.

On holes 1 and 2 area behind the fence and everything on the other side of it is OB.

On hole 16 orange area (everything after the walking path - white road) is RELIEF AREA and if your lie is in it you play it like it was OB (where it entered OB or previous lie) with NO penalty. Area by the basket is in bounds. Relief area has dashed line and extends indefinitely to all directions (but not across the white line - walking path).

On hole 17 red area is OB for the safety reasons as the hill can be steep and slippery. If you land in OB you move to drop zone on top of the hill with one penalty stroke added. If you do not want to play over the hill you can immediately move to the drop zone and play 3rd throw from there.
