

Course Map Info:

On holes 2, 11, 13, 14 and 18 there is a mandatory tree while on hole 17 there are two mandatory trees. If you miss any of those, you play from the drop zone. There is single drop zone for both mando trees on hole 17. Mandatory on hole 2 is NOT in effect for hole 1.

On holes 12 and 13 area behind the fence and everything on the other side of it is OB.

On hole 9 orange area (everything after the walking path - white road) is RELIEF AREA and if your lie is in it you play it like it was OB (where it entered OB or previous lie or drop zone) with NO penalty. The full line is marked with flags, while dashed line is not marked and RELIEF AREA extends indefinitely in that direction.

On hole 10 red area is OB for the safety reasons as the hill can be steep and slippery. OB extends through the dashed line indefinitely (everything short of the basket is OB for safety reasons). If your throw comes to rest in the OB you move to the drop zone on top of the hill with one penalty stroke added. If you do not want to play over the hill you can immediately move to the drop zone and play 3rd throw from there.
