

Throughout the course be aware of other park users and if there are any pedestrians or cyclists, do allow them to move before throwing.

Course Map Info:

On all holes asphalt and concrete areas are out-of-bounds, as well as area behind the fence close to holes 6, 9, 10 and 11 (marked red).

On hole 1 and 2 there are piles of wood and branches. If your lie is there and it seems unsafe to play, feel free to use relief and move backwards in the line of play until you have a safe lie.

If your discs on holes 6, 9 and 10 lands over the fence in the OB you must leave it there and pick it up after the round. There is no door in that area and you are not allowed to climb the fence.

On all holes with mandatory tree there are flags marking first 10m of the mandatory line. This line starts from the tree and continues through all flags and indefinitely in that direction. Each mandatory is in play for only one hole.

On hole 18 - please avoid walking in the tall grass on the first 40m of the fairway.
