

# Chasing SPARROWS

by Lagoda Disc Golf

The tournament is held on a semi-permanent course set up on a green area between Vodovodna Street and Varaždin City Cemetery.

The parking spaces are located in Ratimira Hercega street, and are 250 m away from hole 1. Do not park in Vodovodna Street.

Players meeting before the tournament and after the 1st round is in the area between holes 6 and 7 (marked with a pink circle on the course map).

The tournament is played in two rounds. In each round, the same 9 holes are played twice, so that both the 1st and 2nd rounds consist of 18 holes each. The expected duration of the round is about 90 minutes, up to a maximum of 2 hours.

Several paths used by walkers go through the course, so if necessary, allow them to pass through before throwing.
